Veterans Of Foreign Wars (VFW)
Post NO. 10057

Respondent,

All complaints and alligations prior to May of 2007, have already been argued. Both the city of Las Vegas and L.V.M.P.D. stated we were compling and were doing a good job. We then recieved a Unrestricted Licences.

July 13th 2007: Patrica Robeson was cited for not having an Alcohol Awareness Card, when did in fact have one. The officer who issued the complaint wrote on a used ciation, intended for one of the security guards. An attempt was made to contact the officer, however he never returned the calls. Ms. Robeson was also cited for not having availible an employee listing. This is the duty Key Employee. However a copy of the employee listing has been made available for members.

July 19th 2007: A fight involving twenty people. According to the Post sercurity guards and members this fight took place across the street.

September 2nd 2007: The alledged fight involving nine people, were actually nine people assisting an unknown male, who not a guest of the VFW, having a reaction to drugs.

July 30th and September 18th 2007: There were two drug arrest in the parking lot . L.V.M.P.D. was advised of the activies in the parking lot. L.V.M.P.D. were given permission to conduct an ivestigation and to make an arrest anytime they see fit. In situations such as these staff and members are advised to cooperate with L.V.M.P.D. without put themselves in harms way.

October 11th 2007: Two subjects were 86 from the VFW proprieti for fighting. Later returned to the parking lot without the knowledge of the sercurity guards. This resulted in one of subjects getting cut with a box cutter according to L.V.M.P.D.. Efforts were made by security to assist L.V.M.P.D..

November 2nd 2007: We were cited for no Retail Tobacco And Coin-Operated Machine License Posted, the Post does ont have a tabacco machine.

However we do have a pool table. For years we have never been citted for this. This matter was taken care of within 72 hours.

November 7th 2007: There was a family fued that escalated into a robbery.

Of the 188 calls for servivce to L.V.M.P.D., how many were calls after closeing time. The VFW closes no later than 11:30pm every night. Are we really getting equal protection under the law?

In conclusion after carefully reviewing all the complaints and allagaionts, the complaints that were made are typical to the Las Vegas area. Our question to you is why us? There have been robberies, drug use, assaults all over the Las Vegas area.
